

The Dewey Line on Cedar Lake: 2023 Recap

Our second full season of **Dewey Line** rides on Steamer Dewey was a delightful success. New this year was our celebration called **Steam Through History Day** on July 26th. Highlights included:

- ◆ The Norman J sternwheel steam vessel
- ◆ Debut of our new Science of Steam exhibit funded by Indiana Humanities & Centier Bank
- ◆ Display of a special exhibit from Indiana Historical Society about the New Orleans steamboat legacy
- ◆ Marionette puppet shows
- ◆ Community boat parade

Please join us in thanking our 2023 steamboat sponsors: Centier Bank, State Farm - Aron Schuhrke, Melody Hill Resort & Marina, Hesston Steam Museum, Holiday Liquors & Kubal Properties, Landheim Training & Boarding Center, Pine Crest Marine, John W. Anderson Foundation, Sunrise Pier & Lift Service, Legacy Foundation, Dick Henn, Yolanda Martinez, Al Bunge, In Honor of Bruno Maranowicz, and In Memory of Andrew Laud.

Additionally, Baby Dewey trialed her new experience this summer, the **Taste of History Nostalgia Cruise**. Guests sampled small plates of cuisine common during our resort-era, freshly prepared by our chef, while they enjoyed a 90-minute ride around Cedar Lake. They returned to the museum porch rocking chairs in time to take in the sunset with a delicious dessert.

Grant Awarded

The Indiana Historical Society (IHS) has awarded CLHA a **\$45,000 Heritage Support Grant made possible by Lilly Endowment, Inc.** to fund façade enhancements to the historic Lassen's Resort Hotel. Projects already completed include a complete exterior siding repainting, shingle repair, and the installation of new gutters. Read the press release at lassensresort.org/about.

Paired with a **\$5,550 grant from the Crown Point Community Foundation** in February and gifts from generous CLHA donors, the balance of the IHS funds will be used to repair several damaged and rotted window sills and sashes.

JOIN OUR TEAM: Do you have woodworking skills or the time to learn the nearly lost art of historic window preservation? We would LOVE to have your help this fall. Please learn more and schedule an interview by completing our volunteer application online at

Partner to Preserve Our Past

◆ For Use Today ◆

NEW! In an effort to diversify our funding stream to afford ongoing maintenance projects, we have launched a monthly giving campaign designated for operational expenses and future repairs. "Our 136 windows are a great example of a never-ending project at the museum," explains Julie Zasada, CLHA Executive Director. "As soon as one room is sealed properly from the elements, it's time to repair a sill or the glazing in the next room." Sign-up for monthly automated donations at lassensresort.org/support

One-time donations are also welcome online or with checks payable to CLHA. Mail to P.O. Box 421, Cedar Lake, IN 46303
