

THE MUSEUM AT LASSEN'S RESORT ON CEDAR LAKE

A Tour They Will Talk About

At Lassen's Resort, our volunteers aren't just passionate about history. Planting memories and providing experiences is our priority.

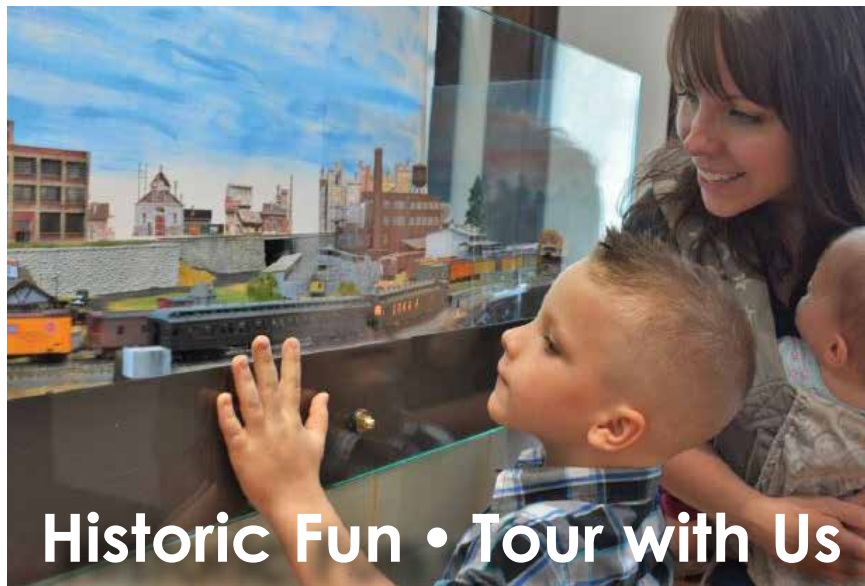

Unwind and discover while you explore how Cedar Lake enriched a region and touched lives around the world.

Rock the afternoon away on the wrap-around porch and enjoy a magnificent lake view. Tour imaginative exhibits that tell The Story of Cedar Lake from its glacial formation through the early 20th Century. Experience special events and make memories that will last a lifetime. Take home a piece of Cedar Lake with souvenirs from the general store. Ride the Dewey Line aboard an authentic 1915 steamboat while you learn resort-era history.

The 1920's Come Alive on the Lake

As a former resort hotel, we understand hospitality and what makes a great visit. Our extraordinary experiences are an anchor attraction or can complement a robust itinerary.
